

HAPPY TEARDROP

Checklist + Notes + Contact Info

Important notes:

1. Code for locks to kitchen & front storage: **2808**.
2. Water Storage - There are two (2) 5 gallon jugs for **potable water only** in the camper.
3. **Coffee maker does not run off of Teardrop power supply.** It requires too many watts. Instead, utilize French Press if no other power source available.
4. If not getting power in specific area of camper, remember to check to make sure **1) battery** in front compartment is powered on and **2) main power panel** inside camper is using correct circuits. (pg 2, 3)
5. All manuals are located in cabinets inside Teardrop.
6. **Bluetooth speakers:** Name-Pyle. Connection Code-0000. (Make sure it is turned on on right side of main power panel). (pg 3)

Pre-Driving Checklist:

- Power off battery. (pg 2)
- Lock kitchen, front compartment, and Teardrop doors.
- Ensure hitch is locked. (pg 8)
- Move the supporting ratchet wheel up to a LOCKED side position. (8)
- Safety chains are connected to your vehicle's hitch brackets. (8)

Pre-Return Checklist:

- Clean and replace all cooking ware, dishes, coffee maker, and french press to correct storage compartment.
- Empty all water containers.
- Drain and clean RTIC cooler.
